

DEPARTMENT OF HEALTH

QUALITY IMPROVEMENT FOCUS GROUPS

The Behavioral Health Administration is holding focus groups on community mental health improvement.

Purpose

We want to learn more about the current perception of community mental health status and resources. The focus groups will provide information to help identify strengths and gaps to inform Maryland's mental health promotion plan.

Method

Each focus group will have approximately 10 participants. Each focus group is expected to take 1.5 hours of your time. The focus groups will be held virtually on Zoom.

Who

Adults age 18 and older that live within Allegany, Carroll, Frederick, Garrett, and Washington counties.

When

Western Maryland Group
September 14, 2021 at 5:30 pm, or
